**California Code of Regulations, Title 18, Section 1828,**  
***Petitions for Distribution or Redistribution of Transactions and Use Tax***

**Regulation 1828. Petitions for Distribution or Redistribution of Transactions and Use Tax.**

(a) Definitions.

- (1) District Tax. "District tax" means a transaction and use tax adopted pursuant to Revenue and Taxation Code section 7251, et seq., or pursuant to Revenue and Taxation Code section 7285, et seq., and administered by the Board.
- (2) District. "District" means any entity, including a city, county, city and county, or special taxing jurisdiction, which has adopted a district tax.
- (3) Petition. "Petition" means a request or inquiry from a district for investigation of suspected improper distribution or nondistribution of district tax submitted in writing to the Allocation Group of the Sales and Use Tax Department. The petition must contain sufficient factual data to support the probability that district tax has not been distributed or has been erroneously distributed. Sufficient factual data should include, for each business location being questioned:
  - (A) Taxpayer name, including owner name and fictitious business name or dba (doing business as) designation.
  - (B) Taxpayer's permit number or a notation stating "No Permit Number."
  - (C) Complete business address of the taxpayer.
  - (D) Complete description of taxpayer's business activity or activities.
  - (E) Specific reasons and evidence why the distribution or nondistribution is questioned, identifying the delivery location or locations of the property the sales of which are at issue. If the petition alleges that the subject transactions are subject to the district's use tax, evidence that the retailer is engaged in business in the district as provided in California Code of Regulations, title 18, section 1827, subdivision (c).
  - (F) Name, title, and telephone number of the contact person.
  - (G) The tax reporting periods involved.

"Petition" also includes an appeal by a district from a notification from the Local Revenue Allocation Unit of the Sales and Use Tax Department that district taxes previously allocated to it were misallocated and will be reallocated. Such a district may object to that notification by submitting a written petition to the Allocation Group within 30 days of the date of mailing of the notification or within a period of

extension described below. The petition must include a copy of the notification and specify the reason the district disputes it. If a district does not submit such a petition within 30 days of the date of mailing of the notification, or within a period of extension, the notification of the Local Revenue Allocation Unit is final as to the district so notified.

The district may request a 30-day extension to submit a written objection to a notification of misallocation from the Local Revenue Allocation Unit. Such a request must provide a reasonable explanation for the requesting district's inability to submit its objection within 30 days and must be received by the Local Revenue Allocation Unit within 30 days of the date of mailing of its notification. Within five days of receipt of the request, the Local Revenue Allocation Unit will mail notification to the district whether the request is granted or denied. If a timely request for extension is submitted, the time for the district to file a written objection is extended to 10 days after the mailing of the notice of whether the request is granted or denied. If the request is granted, the time for the district to submit a written objection to the notification of the Local Revenue Allocation Unit is further extended to the 60th day after the date of mailing of the notification of misallocation.

(4) Petitioner. "Petitioner" is a district that has filed a valid petition pursuant to subdivision (a)(3).

(5) Date of Knowledge. Unless an earlier date is operationally documented by the Board, "date of knowledge" is the date on which the Allocation Group receives a valid petition. Where an error in distribution that is reasonably covered by the petition is confirmed based on additional facts or evidence supplied by the petitioner or otherwise learned as a direct result of investigating the petition, the date of knowledge is the date on which the Allocation Group received the petition.

(6) Substantially Affected District. "Substantially affected district" is a district for which the decision on a petition would result in a decrease to its total distribution of 5 percent or more of its average quarterly distribution (generally determined with reference to the prior four calendar quarters) or of \$50,000 or more.

(7) Notified District. "Notified district" is a district that has been notified as a substantially affected district.

(b) Review by Allocation Group.

(1) The Allocation Group will promptly acknowledge a submission intended as a petition. If the submission does not contain the elements identified in subdivision (a)(3), the original submission will be returned to the submitting jurisdiction. The jurisdiction will have 30 days from the date of the correspondence from the Allocation Group requesting the missing information to make a supplemental submission. If the supplemental submission contains the necessary elements identified in subdivision (a)(3), then the date of receipt of the original submission will

be regarded as the date of knowledge. In the event that a submission is not perfected within this 30 day period, it will not qualify as a valid petition.

(2) The Allocation Group will review the petition and issue to the petitioner a written decision to grant or deny the petition, including the basis for that decision. The written decision will also note the date of knowledge, and if other than the date the petition was received, will include the basis for that date. A redistribution will be made if the preponderance of evidence, whether provided by petitioner or obtained by Board staff as part of its investigation of the petition, shows that there was an error in distribution. If the preponderance of evidence does not show that an error in distribution occurred, the petition will be denied.

(3) If the Allocation Group does not issue a decision within six months of the date it receives a valid petition, the petitioner may request that the Allocation Group issue its decision without regard to the status of its investigation. Within 90 days of receiving such a request, the Allocation Group will issue its decision based on the information in its possession.

(4) If the decision of the Allocation Group is that the asserted error in distribution did not occur and that the petition should be denied, in whole or in part, the petitioner may submit to the Allocation Group a written objection to the decision under subdivision (b)(6).

(5) If the decision of the Allocation Group is that an error in distribution did occur, it will also mail a copy of its decision to any substantially affected district. Any such notified district may submit to the Allocation Group a written objection to the decision under subdivision (b)(6).

(6) The petitioner or any notified district may appeal the decision of the Allocation Group by submitting a written objection to the Allocation Group within 30 days of the date of mailing of the Allocation Group's decision, or within a period of extension authorized by subdivision (b)(910). If no such timely objection is submitted, the decision of the Allocation Group is final as to the petitioner and all notified districts.

(7) If the petitioner or a notified district submits a timely written objection to the decision of the Allocation Group, the Allocation Group will consider the objection and issue a written supplemental decision to grant or deny the objection, including the basis for that decision. A copy of the supplemental decision will be mailed to the petitioner, to any notified district, and to any other district that is substantially affected by the supplemental decision.

(8) If the Allocation Group does not issue a supplemental decision within three months of the date it receives a written timely objection to the decision of the Allocation Group, the petitioner or any notified district may request that the Allocation Group issue its supplemental decision without regard to the status of its

investigation. Within 60 days of receiving such a request, the Allocation Group will issue its supplemental decision based on the information in its possession.

(89) The petitioner or any notified district may appeal the supplemental decision of the Allocation Group by submitting a written objection under subdivision (c)(1) within 30 days of the date of mailing of that supplemental decision, or within a period of extension authorized by subdivision (b)(910). If no such timely objection is submitted, the supplemental decision of the Allocation Group is final as to the petitioner and all notified districts.

(910) The petitioner or any notified district may request a 30-day extension to submit a written objection under subdivision (b)(6) or under subdivision (b)(89), as applicable. Such request must provide a reasonable explanation for the requesting district's inability to submit its objection within 30 days, must be copied to all other districts to whom the Allocation Group mailed a copy of its decision or supplemental decision (to the extent known by the requesting district), and must be *received* by the Allocation Group within 30 days of the date of mailing of its decision or supplemental decision. Within five days of receipt of the request, the Allocation Group will mail notification to the petitioner and to all notified districts whether the request is granted or denied. If a timely request for an extension is submitted, the time for the petitioner and any notified district to file a written objection to the decision or supplemental decision of the Allocation Group is extended to 10 days after the mailing of the notice of whether the request is granted or denied. If the request is granted, the time for the petitioner and all notified districts to submit a written objection to the decision or supplemental decision of the Allocation Group is further extended to the 60th day after the date of mailing of the decision or supplemental decision.

(c) Review by Appeals Division.

(1) The petitioner or any notified district may appeal the supplemental decision of the Allocation Group by submitting a written objection to the Allocation Group within 30 days of the date of mailing of the Allocation Group's supplemental decision, or within a period of extension authorized by subdivision (b)(910). Such an objection must state the basis for the objecting district's disagreement with the supplemental decision and include all additional information in its possession that supports its position.

(2) If a timely objection to its supplemental decision is submitted, the Allocation Group will, within 30 days of receipt of the objection, prepare the file and forward it to the Appeals Division. The petitioner, all notified districts, any other district that would be substantially affected if the petition were granted, and the Sales and Use Tax Department will thereafter be mailed notice of the appeals conference, which will generally be sent at least 45 days prior to the scheduled date of the conference.

(A) Petitioner or any notified district may continue to discuss the dispute with staff of the Sales and Use Tax Department after the dispute is referred to the

Appeals Division. If, as a result of such discussions or otherwise, the Sales and Use Tax Department decides the supplemental decision of the Allocation Group was incorrect or that further investigation should be pursued, it shall so notify the Appeals Division, the petitioner, and all notified districts.

(B) If the Department sends notice to the Appeals Division in accordance with the subdivision (c)(2)(A) no later than 30 days prior to the date scheduled for the appeals conference, the Appeals Division will suspend its review and the dispute will be returned to the Department. The Department will thereafter issue a second supplemental decision, or will return the dispute to the Appeals Division along with a report of its further investigation, if appropriate, for the review and decision of the Appeals Division.

(C) If the Department sends notice to the Appeals Division in accordance with subdivision (c)(2)(A) less than 30 days prior to the date scheduled for the appeals conference, the Appeals Division will decide whether the dispute should be returned to the Department or remain with the Appeals Division, and notify the parties accordingly. If the dispute is returned to the Department, the Department will thereafter issue a second supplemental decision, or will return the dispute to the Appeals Division along with a report of its further investigation, if appropriate, for the review and decision of the Appeals Division.

(D) Where the Department issues a second supplemental decision in accordance with subdivision (c)(2)(B) or (c)(2)(C), it will send a copy of the decision to the petitioner, any notified district, and any other district that is substantially affected by the second supplemental decision, any of whom may appeal the second supplemental decision by submitting a written objection under subdivision (c)(1) within 30 days of the date of mailing of that supplemental decision, or within a period of extension authorized by subdivision (b)(910). If no such timely objection is submitted, the second supplemental decision is final as to the petitioner and all notified districts.

(3) The appeals conference is not an adversarial proceeding, but rather is an informal discussion where the petitioner, any notified districts who wish to participate, and the Sales and Use Tax Department have the opportunity to explain their respective positions regarding the relevant facts and law to the Appeals Division conference holder. To make the conference most productive, each participant should submit all facts, law, argument, and other information in support of its position to the Appeals Division conference holder, and to the other participants, at least 15 days before the date of the appeals conference; however, relevant facts and arguments will be accepted at any time at or before the appeals conference. If, during the appeals conference, a participant requests permission to submit additional written arguments and documentary evidence, the conference holder may grant that participant 4530 days after the appeals conference, ~~or 30 days with sufficient justification~~, to submit to the conference holder, with copies to all other participants, such additional arguments and evidence. Any other participant at the conference who is in opposition to the

requesting participant on the issue(s) covered by the additional submission is allowed ~~15~~30 days to submit to the conference holder, with copies to all other participants, arguments and evidence in response. No request by a participant for further time to submit additional arguments or evidence will be granted without the approval of the Assistant Chief Counsel of the Appeals Division or his or her designee. The Appeals Division on its own initiative may also request, at or after the appeals conference, further submissions from any participant.

(4) Within 90 days after the final submission authorized by subdivision (c)(3), the Appeals Division will issue a written Decision and Recommendation (D&R) setting forth the applicable facts and law and the conclusions of the Appeals Division. The Chief Counsel may allow up to 90 additional days to prepare the D&R upon request of the Appeals Division. Both the request and the Chief Counsel's response granting or denying the request for additional time must be in writing and copies provided to the petitioner, all notified districts, and the Sales and Use Tax Department. A copy of the D&R will be mailed to the petitioner, to all notified districts, to any other district that will be substantially affected by the D&R, and to the Sales and Use Tax Department.

(5) The petitioner or any notified district may appeal the D&R by submitting a written request for Board hearing under subdivision (d)(1) within 60 days of the date of mailing of the D&R.

(6) The petitioner, any notified district, or the Sales and Use Tax Department may also appeal the D&R, or any Supplemental D&R (SD&R), by submitting a written request for reconsideration (RFR) to the Appeals Division before expiration of the time during which a timely request for Board hearing may be submitted, or if a Board hearing has been requested, prior to that hearing. If a district or the Sales and Use Tax Department submits an RFR before the time for requesting a Board hearing has expired, the Appeals Division will issue an SD&R to consider the request, after obtaining whatever additional information or arguments from the parties that it deems appropriate. If an RFR is submitted after a district has requested a Board hearing, the Appeals Division will determine whether it should issue an SD&R in response. A copy of the SD&R issued under this subdivision or under subdivision (c)(7) will be mailed to the petitioner, to all notified districts, to any other district that will be substantially affected by the SD&R, and to the Sales and Use Tax Department. The petitioner or any notified district may appeal the SD&R by submitting a written request for Board hearing under subdivision (d)(1) within 60 days of the date of mailing of the SD&R.

(7) Whether or not an RFR is submitted, at any time prior to the time the recommendation in the D&R or prior SD&R is acted on by the Department as a final matter or the Board has held an oral hearing on the petition, the Appeals Division may issue an SD&R as it deems necessary to augment, clarify, or correct the information, analysis, or conclusions contained in the D&R or any prior SD&R.

(8) If no RFR is submitted under subdivision (c)(6) or request for Board hearing under subdivision (d)(1) within 60 days of the date of mailing of the D&R or any SD&R, the D&R or SD&R as applicable is final as to the petitioner and all notified districts unless the Appeals Division issues an SD&R under subdivision (c)(7).

(d) Review by Board.

(1) The petitioner or any notified district may submit a written request for Board hearing if it does so to the Board Proceedings Division within 60 days of the date of mailing of the D&R or any SD&R. Such a request must state the basis for the district's disagreement with the D&R or SD&R as applicable and include all additional information in its possession that supports its position.

(2) If the Board Proceedings Division receives a timely request for hearing under subdivision (d)(1), it will notify the Sales and Use Tax Department, the petitioner, any notified district, any other district that would be substantially affected if the petition were granted, and the taxpayer(s) whose distribution (or nondistribution) are the subject of the petition, that the petition for redistribution of district tax is being scheduled for a Board hearing to determine the proper distribution.

(3) The Sales and Use Tax Department, the petitioner, and all districts notified of the Board hearing pursuant to subdivision (d)(2) are parties and may participate in the Board hearing. The taxpayer is not a party to the Board hearing unless it chooses to actively participate in the hearing process by either filing a brief or making a presentation at the hearing.

(4) Briefs may be submitted for the Board hearing in accordance with California Code of Regulations, title 18, sections 5270 and 5271.

(5) To the extent not inconsistent with this regulation, the hearing will be conducted in accordance with Chapter 5 of the Board of Equalization Rules for Tax Appeals (Cal. Code Regs., tit. 18, § 5510, et seq.). The Board will apply the preponderance of evidence rules set forth in subdivision (b)(2) in reaching its decision and not the burden of proof rules set forth in California Code of Regulations, title 18, section 5541. The Board's final decision on a petition for redistribution exhausts all administrative remedies on the matter for all districts.

(e) Limitation Period for Redistributions.

For redistributions where the date of knowledge is prior to January 1, 2008, the standard three-year statute of limitations is applicable, based on the date of knowledge. For redistributions where the date of knowledge is on or after January 1, 2008, redistributions shall not include amounts originally distributed earlier than two quarterly periods prior to the quarter of the date of knowledge.

(f) Operative Date and Transition Rules.

This regulation is intended to reduce the time required to decide the validity of redistribution petitions and otherwise improve the process for doing so. Regulation 1828 was repealed and readopted in 2008. ~~It~~ The readopted regulation is intended to have a neutral impact only on the current dispute over the continuing validity of certain petitions that ~~are~~were governed by prior Regulation 1828 (effective June 17, 2004).

(1) The operative date of this regulation as readopted in 2008 and any amendments thereto is the effective date it becomes effective under Section 11343.4 of the Government Code (thirty days after ~~it has been approved~~approval by the Office of Administrative Law and ~~forwarded~~forwarding to the Secretary of State) and ~~it~~there shall ~~have~~be no retroactive effect.

(2) ~~Petitions filed prior to the operative date of this regulation.~~ Notwithstanding subdivision (f)(3), petitions shall be reviewed, appealed and decided in accordance with this regulation as to procedures occurring after ~~that~~its operative date or that of any amendments thereto.

(3) ~~All such~~ petitions filed prior to July 1, 2004 and denied by Board Management must have perfected any access they may have had to a Board Member hearing no later than 60 days after the September 10, 2008, operative date of this regulation.
